**Paul Seldes, partner, ntb group LLC** has earned the highest honor of professional achievement awarded by the Florida Emergency Preparedness Association, the Florida Professional Emergency Manager (FPEM) designation. With a membership of over 600 emergency management officials throughout the state of Florida, only 161 hold the FPEM designation.

Mr. Seldes directs ntb group's emergency management and public safety operations and is responsible for the development, review and exercising of emergency plans and procedures. Clients are corporate, academic and government entities, cities across the US, federal and state agencies and organizations such as Lockheed-Martin, Northrop-Grumman, JP Morgan Chase, Mellon Bank, Hershey Foods and Pfizer.

Mr. Seldes served as a first responder after 9-11-2001 in New York where he was also a survivor of the initial attacks, has worked as a medical logistics officer after Hurricane Katrina in Mississippi in 2005, and has recently assisted with the evacuation of special needs patients from New Orleans before the arrival of Hurricane Gustav.

Contact Mr. Seldes to review your Business Continuity Plan or to help you plan for disaster mitigation and recovery at [pseldes@ntb-group.com](mailto:pseldes@ntb-group.com) or 772.492.0069. ntb group LLC is a woman owned small business located in Vero Beach, Florida focusing on public safety, homeland security, and technology related services.
