Paul Seldes, partner, ntb group LLC has earned the prestigious Certification in Homeland Security (CHS) from the American College of Forensic Examiners (ACFEI) after successfully completing the requisite course of study and exam. Paul Seldes has been awarded a Certification in Homeland Security – Level III (CHS-III) certification.

The American College for Forensic Examiners' (ACFEI) Certification in Homeland Security (CHS) program has earned a reputation as *the* nation's leading private sector Homeland Security professional membership association dedicated to the certification, training and continuing education of Homeland Security professionals from across the nation.

Mr. Seldes is responsible for ntb group's emergency management and public safety operations. He develops, reviews and exercises emergency plans and procedures for corporate, academic and government clients, cities across the US, federal and state agencies and organizations such as Lockheed-Martin, Northrop-Grumman, JP Morgan Chase, Mellon Bank, Hershey Foods and Pfizer.

Contact Mr. Seldes to review your Business Continuity Plan or to help you plan for disaster mitigation and recovery at pseldes@ntb-group.com or 772.492.0069. ntb group LLC is a woman owned small business located in Vero Beach, Florida focusing on public safety, homeland security, and technology related services.
